

BLACKBURN & EAST LANCASHIRE BREAST CARE SUPPORT GROUP

Have you, or do you know someone who has, been diagnosed with breast cancer?

WELCOME

A warm welcome awaits at our monthly meetings.

UNDERSTANDING

We understand about waiting for results, receiving a cancer diagnosis and the treatments involved. We do hope we can help by inviting you to one of our monthly support group meetings where you will meet others in a similar situation.

SUPPORT

Support is essential, whether it is from family members, friends or a specialist group. No matter how confident we may feel a lot of the time, there are always those times when we feel the need for a bit of help. Just knowing there are others in the same situation, who have felt like us and gone through the same anxieties, really does help.

MEETINGS

The group meets on the first Tuesday of each month 6.45pm-8.45pm at The Beardwood Hospital, Preston New Road, Blackburn, BB2 7AE
